Fiberglass Pools

latham

The Center of Your Backyard Lifestyle

A cool plunge into a Latham pool to wake up with the dawn. The steady rhythm of laps relieving the stresses of the day. Cocktails with friends as the sun goes down. Or the laughter of your kids as they cannonball into the deep end.

A pool is more than a place to relax and revive. It transforms a backyard into a welcoming extension of the home, offering a new focus of entertainment throughout the day.

Latham understands what a pool can mean to you and your family. We've built thousands in the past six decades, each unique to a very special backyard lifestyle, and now we're ready to make the perfect one for you.

Corinthian 12

12' x 25'

Depth: 3' 6" to 5' 5"

Ships from CA, IA, LA, NC, TN,
TX, WV

Corinthian 14

14' x 30'

Depth: 3' 6" to 6'

Ships from CA, IA, LA, NC, TN,
TX, WV

Corinthian 16

15' 10" x 40'

Depth: 3' 6" to 7'

Ships from CA, IA, LA, NC, TN,
TX, WV

Milan

10' x 16'

Depth: 4'

Ships from CA, IA, LA, NC, TN,
TX, WV

Milan

Water features add a luxurious touch of personalization. Your stress will fade away as you relax to the soothing sounds of a bubbling fountain or a cascading waterfall.

Cascades

Originating from the coping of your pool, cascades are gentle waterfalls and are available in a range of sizes and arrangements.

Bubblers

Bubblers create an extraordinary fountain effect for additional fun and relaxation.

Vanishing Edges

Vanishing edges can be incorporated into almost any Latham pool, adding a level of sophistication and elegance.

LED Lighting

Lighting is one of many pool options that will elevate your enjoyment. At night, LED lights illuminate your pool and can turn an evening swim into an extraordinary experience.

Color Control

Controls color, speed, brightness and modes.

Memory Recall

Remembers the last color, speed and brightness.

Auto Sync

Automatically syncs your lights.

Wireless Handheld Remote Control

Included with all LED lighting.

Wi-Fi Compatibility

Provides optional connectivity via smartphone or tablet.

Compatibility

Compatible with water features and perimeter lighting.

Wattage

Delivers 50 watts to support six 4-wire lights.

Fiberglass by Latham

Latham's Advanced Composite Technology was developed with intensive research and testing, making Latham fiberglass pools easier to handle and install. Latham fiberglass is stronger, more rigid and more durable. It is built better and backed better, with the best warranties in the industry.

- 1. Crystite Gelcoat** – Engineered and built for fade, stain and scratch resistance, our gelcoat has been offering the industry's most beautiful and durable swimming pool surface in its most popular colors for over 25 years. And now you can enjoy the radiance of our exclusive G3 finishes, adding an extra sparkle to your pool.
- 2. Vinyl Ester Resin** – Our resins are designed for corrosion and impact resistance, flexibility, strength and durability.
- 3. Advanced Ceramic Construction** – Ceramic-infused resin provides increased stiffness.

- 4. BiMax Radius Reinforcement** – The tight weave and direction of the fibers within this material add tremendous strength to the pool shell.
- 5. Carbon-infused Technology** – Carbon fibers have the highest compressive strength of all reinforcing materials, and are found in automobiles, boats, yachts, airplanes—and spaceships!
- 6. DuPont Kevlar Aramid Fibers** – Developed for demanding industrial and advanced-technology applications, Kevlar combines high strength, toughness and thermal stability.
- 7. Woven Roving and Marine-grade Resin** – Woven roving dramatically reinforces the strength of the pool shell.
- 8. Closed Beam Construction** – Our unique closed beam construction creates unparalleled strength and rigidity.

There are many reasons why fiberglass pools are the fastest growing segment of the pool industry. When you know the facts, a fiberglass pool from Latham will be your choice as well.

Fiberglass pools are easier and faster to install

They are assembled off-site and can be installed in three to six weeks. Concrete pools take three to six months to install and the work needs to be done in moderate weather, with ideal temperatures and without rain or snow.

Fiberglass pools are easier and less costly to maintain

Fiberglass pools have a gel coat that resists algae growth; this makes keeping the pool clean easier and not as costly. Vinyl liner pools need to have their liners replaced, usually between seven to eleven years, while concrete pools need to be acid-washed every few years and sometimes resurfaced. None of these tasks will be necessary with a fiberglass pool.

Fiberglass pools are easier and less costly to repair

Fiberglass pools have the lowest long-term maintenance costs and come with a limited lifetime warranty.

Fiberglass pools have non-abrasive surfaces

The gel coat of a fiberglass pool does more than resist algae growth—it makes it very smooth to the touch. You won't get scratches on your extremities as you would in a concrete pool.

Fiberglass pools are better for saltwater systems

Saltwater pools are a growing trend that is great for customers and the environment. But, while all saltwater pools must maintain proper water chemistry for effective sanitation and bather comfort, the systems are very hard on concrete surfaces and many concrete pool builders prohibit them. Fiberglass is the material many sea-going boats and yachts are made with and fiberglass pools are completely saltwater friendly.

Building permits are easier with ICC certification

An International Code Council Evaluation Service (ICC-ES) Certification brings you one step closer to obtaining building permits for your pool. Only the highest quality products receive the ICC-ES stamp of approval. Latham pools are among them.

Limited Lifetime Warranty

A Latham pool is built to last a lifetime—a lifetime of carefree ownership and peace of mind. A Latham pool comes with a limited lifetime warranty on the structure and surface of the pool. By selecting a Latham pool you will automatically enjoy the benefits of having a well-established leader in the swimming pool industry behind you every step of the way.
